

You can help sick children across Canada!

CALIPER

'ARM' us with the knowledge to help others

Who can participate in the CALIPER Project?

Healthy children and teens between birth to 18 years old

When & Where can I participate?

You can participate at one of the following clinics during the Escarpment Soccer League tournament hosted by the Milton Soccer Academy:

- Saturday August 28th from 10:00 am to 6:00 pm
- Saturday September 11th from 10:00 am to 5:00 pm

What is the CALIPER Project?

CALIPER is a world-leading project of children's hospitals across Canada. Participation in this project is an opportunity for community involvement on a global level. You can help improve the diagnosis and treatment of children with medical concerns.

What does participation involve?

Participation involves: (1) completion of a consent form & questionnaire; (2) waist, height & weight measurements; and (3) a small blood donation.

As a thank you, each participant will receive the following:

- \$10
- blood test results
- two community hours
- chance to win a laptop
- choice of t-shirt, teddy bear, or storybook
